

# Reflections™

GLASS TILE

*Made exclusively for Daltile.*

## *know no boundaries*

Reflections In Glass Tile™. Timeless beauty and long term performance anywhere wall tiles are required. Our combination of glass and ceramic glazes ensures that colors remain true and don't deteriorate regardless of the environmental conditions.

Reflections glass tiles are perfectly suited for swimming pools, water features, steam showers and any other interior or exterior vertical surface.

*Widest spectrum of colors*

## *standard sizes*

Over 40 standard sizes.

- Square sizes from 1"x1" to 16"x16"
  - Rectangular sizes from ½ "x6" to 12"x24"
- (including bullnose trims quarter rounds and coves)

## *custom sizes*

Custom sizes are also available.

 *mounted mosaics or assemblies*

 *loose pieces*

## *mosaics & assemblies*

Give your clients the opportunity to imagine exactly what they want, all of our assemblies are made to order; sheets of beautiful solid colors, monochromatic blends of matte and glossy, spectacular random blends of multiple colors, or gradation blends.

For wet areas such as pools, spas and steam showers all mosaics & assemblies should be ordered face-mounted with clear plastic film, no additional time is required and there's no additional cost.
