

Reflections™

GLASS TILE

Made exclusively for Daltile.

40 Standard Colors *glossy & matte finishes, Terra texture*

Reflections Glass Tiles are perfect for wall tiles for all interior, exterior and wet area installations (including pools, water features and steam rooms/showers). Custom colors and sizes are also available.

Sizes

Reflections Glass Tiles are 6 mm (1/4") thick. All facial dimensions are nominal, available in sizes from 1/2"x6" up to 16"x16" and 12"x24".

Mosaics & Tile Assemblies

Sizes from 1/2"x6" up to 2"x6" are normally provided as mounted assemblies.

Assemblies are available as sheets of solid colors or as blends of selected colors. Color blends can be randomly distributed or the colors can be specifically placed to create patterns or gradations. Assemblies can be ordered as back mounted (mesh) or face mounted (clear film).

straight joint

shimmy

running bond

strut

random stagger

Trim Pieces

6" & 8"
quarter round

2" x 6"
single bull nose

6" & 8"
cove

2" x 2"
double bull nose

Made to Order

Reflections Glass Tiles are custom made for your order. Production lead times are typically about 3 weeks for orders of loose glass tiles and 4 weeks for mosaics and assemblies.

Variation in shade and color is inherent in all fired products and is one of the natural qualities that defines the beauty of tile.
